Statistical Categories and Reporting

Presented by Mike Peters / Indiana State Library / mrpeters@library.in.gov

This presentation assumes the following prerequisites:

- Experience with building Evergreen Report Templates from scratch
- Experience with creating item and patron statistical categories
- Existing Statistical Categories with mapped data

For introductory information on building a Stat Cat please visit:

http://docs.evergreen-ils.org/1.6/draft/html/lsa-statcat.html

For reports training please contact Wendy Knapp

wknapp@library.in.gov / 317.232.3718

Agenda

- Demo 1 – List of patrons in a particular township from existing Stat Cat data

- Demo 2 – List of items from a Legacy ILS Item Type from existing Stat Cat data

- Demo 3 – List of patrons who wish to receive newsletter by mail from existing Stat Cat data

- Questions?
