

How does the OverDrive WIN Program work?

A portion of each sale of digital content or other items, purchased from OverDrive WIN Affiliated Retailers using the "Buy it Now" link from your library's website, is credited back to this library.

How can my library use the funds it earns from my purchases?

The funds your library earns from the OverDrive WIN Affiliate Program will be credited to the library to add eBooks, audiobooks, music or video to its virtual branch. The titles and materials the library selects are at the library's discretion.

Are the funds credited directly to my library?

Yes. The WIN Affiliate program is managed by OverDrive, Inc. who collects the funds from the WIN Affiliated Retailer. OverDrive issues a credit to the library for a portion of the total sale made by the patron at the vendor site.

How do I know what is a qualifying purchase for my library to get credit?

All purchases of eBooks and/or digital audiobooks and other items from OverDrive WIN Affiliated Retailers will qualify for a credit from your purchase.

Is my purchase tax-deductible?

No. Purchases from OverDrive WIN affiliated retailers are not tax-deductible.

How do I choose a retail partner?

When you select the "Buy it Now" link on a title, you will see a list of OverDrive WIN Affiliated Retailers. Clicking on a Retailer's logo will link you to that Retailer's commercial website. Not all Retailers offer the same titles or formats that your library does, and the content available may not be compatible with all devices. Please review the Retailer's website for additional information. We will be adding OverDrive WIN Affiliated Retailers, so please note, that this list is subject to change.
